

Settle Harriers Monday Night Runs

These runs are designed to be sociable and relaxed club runs of around an hour to an hour and a half (typically 7-10km). A short option will always be available for those who want it. The 'taster sessions' highlighted in green are particularly suitable for people who want to come along and give fell running a try. Lift sharing is often arranged via the Facebook group.

Please meet at the designated meeting point in time for a 7:00pm start.
